I have been invited to attend, observe, and/or participate in a firefighter training exercise, sponsored and administered by the Franklin-Lamoille Fire School, in concert with various private and public organizations. Such exercises often present hazards to the life and property of participants, observers, and/or attendees. In consideration of being afforded the opportunity to attend, observe, and/or participate in such firefighter training:

1. I acknowledge the inherent dangers of such training and assume the risk to my person and property, both personal and that of others under my control and supervision.
2. I agree to waive all claims arisen from my participation, observation, and/or attendance of said training for damages to myself, my property or property of others under my control and supervision arising out of the action or inaction, through any negligence or otherwise, other than deliberate and intentional tortuous action by the Franklin-Lamoille Fire School, its agents and employees in both their official and personal capacities.
3. Further, this Waiver of Liability extends to all claims that might devolve to the benefit of my heirs, assignees, administrators or executors, including but not limited to, all claims arising from my wrongful death or injury.
4. Further, the protection of the Waiver of Liability and agreement to hold harmless extends to all cooperating organizations, corporations, and individuals, their agents and employees, in both official and personal capacities, who are assisting the Franklin-Lamoille Fire School in the presentation and conduct of this training.
5. Further, I certify that I am physically qualified and capable to participate in the courses I have selected.
